If you want to let them know I am fine with that.

Thanks

Mike:

The meeting invite that Lynn Woodbury sent out just now is for her to go over her draft comments on the CFAC background work with Brian and David, before she finalizes them and we send them to you. So we are commenting with one EPA voice. I don't think you need to join in, but are welcome to do so. I will be in another meeting and won't be on.
